REQUEST FOR CORRECTED FILING RECEIPT

Commissioner for Patents
PO Box 1450
Alexandria, Virginia 22313-1450

Attn: Appl. Processing Division, Customer Correction Branch

Sir:

Attached is a copy of the official Filing Receipt received from the PTO in the above-referenced application.

There is an error with respect to the claim for priority. This application is a continuation-in-part of U.S. Patent Application No. 10/668,821, filed September 23, 2003. A new Application Data Sheet showing the correct claim of priority is enclosed.

The claim for priority was listed on the original Application Data Sheet, but it was incorrectly listed as a continuation. However, no claim of priority was listed on the Official Filing Receipt. Therefore, Applicant is unsure as to whether a fee is due with regard to the issuance of the corrected filing receipt.

If any fee is due, the Commissioner is hereby authorized to deduct the fee from Deposit Account 06-1450 of Foley & Lardner. This document is submitted in duplicate.

Respectfully submitted,

Date July 5, 2004
